2017 MADCAD Participation Application

NMCOA has signed on with MADCAD to provide member access to an online library of code referenced standards. The list of Standards available to us has been expanded, providing more standards than we had access to during 2016. Access to these standards is now required according to the State of Michigan Bureau of Construction Codes. **Subscribers must be NMCOA Members.** For more information on this web based library access, see the NMCOA website – www.nmcoa.org.

The NMCOA/MADCAD Annual subscription rate of \$300.00 per jurisdiction is based on an overall access cost to NMCOA, with a minimum of 53 participating jurisdictions. Payment provides Annual access to the MADCAD Referenced Standards Library. Each participating jurisdiction will be provided with a password for each user for MADCAD access. The user’s email serves as the “User Name”. **MADCAD requires that Inspectors covering more than one jurisdiction submit an application for each participating jurisdiction.**

This form is required to be completed and submitted along with payment in order for your jurisdiction to participate in the NMCOA subscription to MADCAD. This form is created as a Fillable PDF Form. Please complete User information for each user. Space is available for up to 9 users. You can save or open the form online, complete all of the requested information, then print the form for submittal. By doing so, your form will be legible and easily read.
